

From a life in capital to
LIFE in capitals!

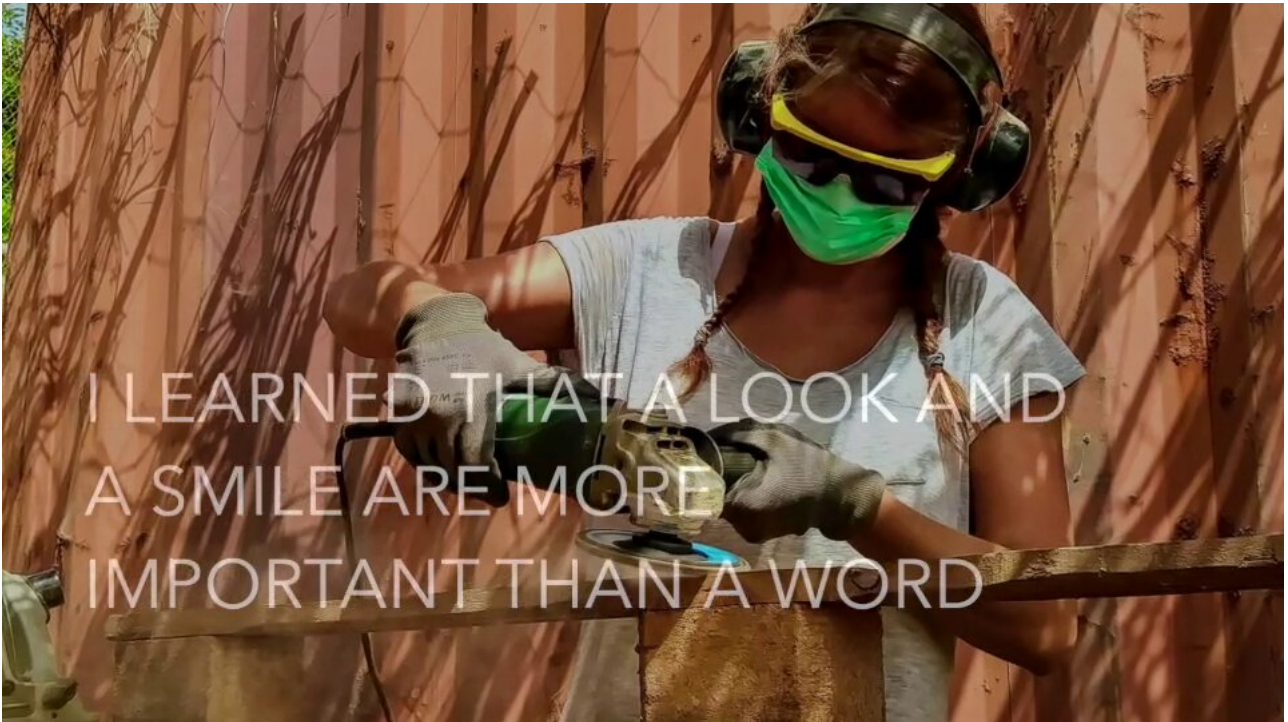

IN THE CANARY ISLANDS I
WORKED IN CONTACT WITH
NATURE, ANIMALS AND
DIFFERENTS CULTURES

I DISCOVERED THAT WHAT
CHARACTERIZES US AND
MAKES US UNIQUE IS THE
BEAUTY OF DIFFERENCES

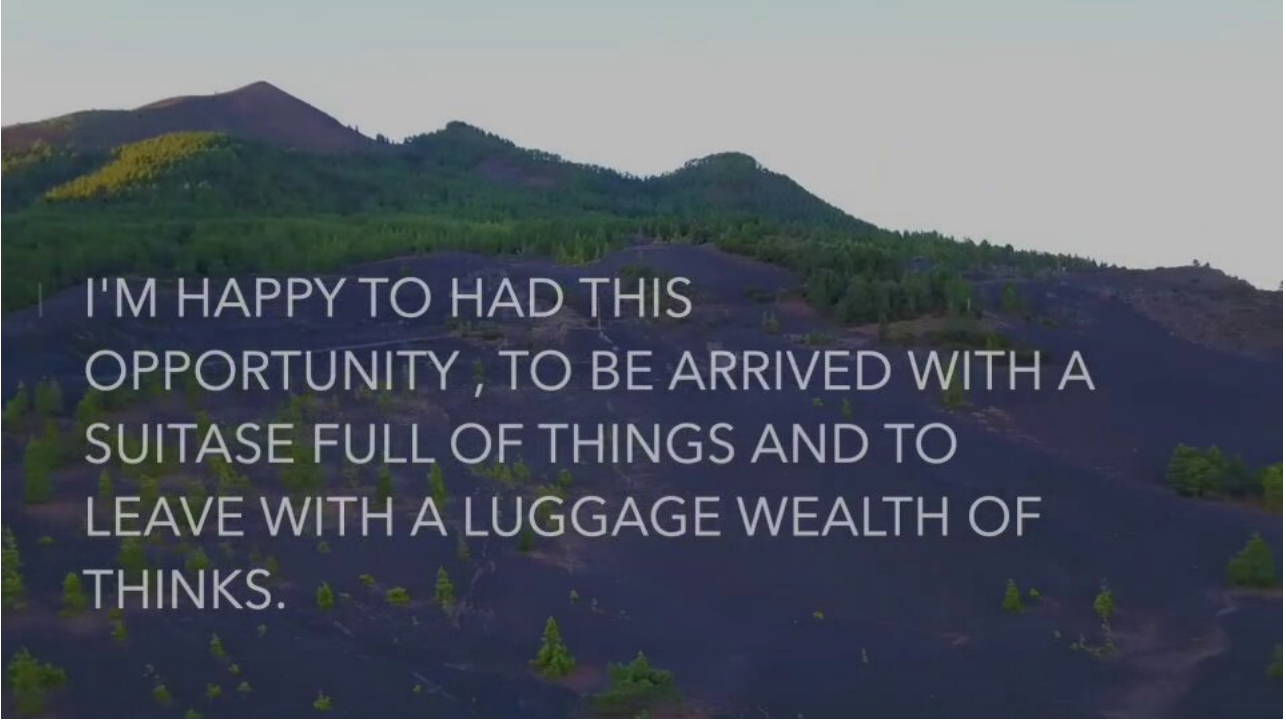

BY TESTING MYSELF, I
DISCOVERED A NEW PART OF
ME.

I LEARNED THAT A LOOK AND
A SMILE ARE MORE
IMPORTANT THAN A WORD

I'VE LEARNED THAT BEING
AWAY FROM HOME MAKES US
CLOSER TO OUR DEARS

I'M HAPPY TO HAD THIS
OPPORTUNITY , TO BE ARRIVED WITH A
SUITASE FULL OF THINGS AND TO
LEAVE WITH A LUGGAGE WEALTH OF
THINKS.
